Town of Berlin Citizens and Utility Customers,

With the holiday season approaching, I hope this letter finds you and your family safe and healthy. This year, the Town of Berlin would like your help assisting members of our community that may be struggling with the loss of a job or adapting to a loss in income. Please consider helping our neighbors by contributing to the Berlin Electric Energy Assistance Program (BEEAP).

For the past fourteen years, BEEAP has conducted an annual fundraiser to assist community members with their electric utility bills. With the help of our generous community, BEEAP has distributed over \$109,650 since it was created in 2009. In addition to the funds raised by our community, the Town of Berlin will also match up to \$10,000. Our partners at SHOREUP! Inc will administer the funds that are raised, and all the money raised by our community will only be applied to qualifying Town of Berlin electric customers.

To contribute to BEEAP, please use the form below. On behalf of the Mayor and Council, thank you for your generosity. Please accept our best wishes for an enjoyable and meaningful holiday season and a safe and secure New Year.

Best wishes,

Mayor Zack Tyndall
