RFP # 2025-08
Berlin Lead Service Line Replacement - Phase 1
Due Date: December 3, 2025
Time: 2:00 pm EST

Deliver submittals to:

Jamey Latchum, Director of Water Resources
Town of Berlin
10 William St.
Berlin, MD. 21811
Attn: RFP #2025-08

The Town of Berlin (the "Town") is seeking Contractor ("Bidder") proposals for the Lead Service Line Replacement project. This project consist of the replacement of approximately 183 existing water services located along William Street, Broad Street, and Bay Street, from watermain to the proposed isolation valve within the footprint of the existing structure, and all ancillary restoration work including topsoil tie-in. All work is located in the Town of Berlin, Maryland 21811. William Street is an MD-SHA maintained road. The project is funded by the Drinking Water State Revolving Fund through the Maryland Department of the Environment, and is subject to the required DBE efforts, BABAA, and Davis-Bacon wage rates. Proposals must be submitted to the address above, by the date and time, and in the format indicated herein.

It is the responsibility of potential bidders to thoroughly review this Request for Proposal and the Contract Documents and ensure their full understanding of the same.

Proposals received after the due date/time will not be considered. Bidders accept all risks of late delivery of emailed, mailed, or shipped submittals regardless of fault.

The Town of Berlin reserves the right to reject any and all submittals and to waive irregularities and informalities in the submittal and evaluation process. This Request for Proposals ("RFP") does not obligate the Town to pay any costs incurred by bidders in the preparation and submission of their proposal. Furthermore, the RFP does not obligate the Town to accept or contract for any expressed or implied services.

It is the Town of Berlin's policy to assure that no person shall, on the grounds of race, color, religion, sex or national origin, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against.

The Town is committed to a program of equal employment opportunity regardless of race, color, creed, sex, age, nationality, disability, or sexual orientation. The successful bidder ("Contractor") must comply with the Town of Berlin's equal opportunity requirements.

DRAFT RFP #2025-08 Berlin Lead Service Line Replacement - Phase 1

ABOUT BERLIN: The Town of Berlin is a community of approximately 5,000 people located on Maryland's eastern shore. The Town operates under a Strong Mayor form of government. Berlin provides the following services to the community's residents: police, public works, parks, water, wastewater, stormwater, electricity, economic development, planning, code enforcement, engineering (under contract), and general administration. The Town operates on a one-year budget cycle from July 1 through June 30.

A. SCOPE OF SERVICES

The Town of Berlin seeks to enter into a contract with a qualified Contractor for the replacement of the approximately 183 existing water services located along William Street, Broad Street, and Bay Street, and all ancillary restoration work for the Town of Berlin's Lead Service Line Replacement Phase 1 Project. The purpose of this project is to replace all known lead service lines in the water distribution system along William Street. This will be the first phase of lead service line replacement projects; the subsequent phases will follow the completion of the 'Berlin Lead Service Line Inventory' project, which is currently underway and being developed.

All work shall be performed in accordance with the Contract Documents, including this RFP, Drawings, Technical Specifications, and the applicable general requirements of the *Town of Berlin Design and Construction Standards for Water, Sewer, and Roadway Systems*.

B. SPECIFICATIONS

1. The existing roads, William Street, Broad Street, and Bay Street shall be marked for utilities with each pavement and sidewalk section within the work area saw cut (estimated at 4' wide) and removed from site, with CR-6 being compacted for temporary sidewalk restoration and GABC to surrounding pavement surface course compacted at the end of each working day, before paving compaction is to be at least 95% as measured by modified proctor.
2. Road Restoration shall be completed per MD-SHA standards, and as specified in the contract documents.
3. Chain of custody receipts for lead service lines disposed of at an approved facility are to be given to the Town.
4. Unsuitable soil regardless of reason shall be disposed of at the sole expense of the contractor.
5. Given depth of water main and service area dewatering via well pointing is not anticipated.
6. Given this project is to remove all lead containing services, the existing Corporation Stop shall not be abandoned at the main but removed entirely. A Stainless Steel repair clamp will be required for each Corporation stop being removed. It is anticipated that the Watermain will remain live throughout construction. Coordination with the Town and affected properties in construction sequencing to limit the downtime for each service to a minimum will be required for the success of this project.
7. Tie in topsoil as required for a smooth transition are incidental to prices bid.
8. The existing road elevation must remain the same after road restoration.
9. Maintenance of Traffic is necessary for this project and incidental to prices bid. The Contractor is responsible for obtaining and maintaining all traffic control permits from MD-SHA. The Town Engineer has obtained the necessary Utility Permits for MD-SHA for the proposed project. Contractor is to provide 72-hour notice prior to requesting the services of the Town and 1-week notice to the Town in order for residents and patrons to be properly notified.

C. MINIMUM REQUIREMENTS

1. Work shall be started within 30 calendar days of Notice to Proceed).
2. Contract Time: Work shall be completed within 120 calendar days of start date. Liquidated Damages of \$500 per day shall be charged to the Contractor to cover cost overruns beyond the Contract Time.
3. Contractor is responsible for, at a minimum:
 - a. Notification of appropriate agencies as required by regulations prior to start of work.
 - b. Complete traffic control as required.
 - c. Arrangements for staging of equipment and materials; the Town of Berlin shall assist in determining suitable locations, however, if non-Town owned property is used for staging, it shall be the full responsibility of the contractor to enter into any agreement(s) with property owners, including negotiation and any compensation required.
4. Contractor shall ensure that personnel working on site shall be appropriately supervised to ensure the completion of duties per the contract.
5. Contractor and their personnel shall conduct themselves in a professional manner and shall take reasonable care to ensure the safety and comfort of residents and visitors to the Town.
6. Contractor shall take reasonable care to ensure the cleanliness of the streets, sidewalks, parking areas and other affected areas during deliveries.
7. Workday hours shall begin no earlier than 8:00 AM and shall end no later than 5:00 PM, including set-up and clean-up, Monday through Friday, excluding scheduled holidays. Work outside the hours indicated above shall be done only with the express permission of the Town.
8. All work shall comply with the Code of the [Town of Berlin, Article III Noise, §14-43\(4\)](#).
9. Contractor shall warranty their work for a minimum period of two years (2-years) from project acceptance.
10. In addition to the section indicated above, Contractor shall adhere to all other applicable regulations of the Town of Berlin, State of Maryland and any other entity or agency with authority over projects of this nature.

The following shall be considered in evaluating submissions and awarding a contract:

- Experience of Contractor with similar projects.
- Information acquired from municipal references.
- Overall quality of proposal.
- Project understanding.
- Anticipated project cost.
- Anticipated project schedule.

The Town may select a limited number of bidders for in-person interviews before a selection committee.

The Town reserves the right to reject any and all submittals and to waive irregularities and informalities in the submittal and evaluation process. This RFP does not obligate the Town to pay any costs incurred by bidders in the preparation and submission of their qualifications. Furthermore, the RFP does not obligate the Town to accept or contract for any expressed or implied services.

It is the practice of the Town to make award based on the lowest responsible bid. The Town reserves the right to accept or reject any and all submissions and the right to award contract based on factors other than cost.

• **CONTRACT AWARD:** The Town reserves the right to make an award without further discussion of the submittals. The installer selected as the apparently successful contractor will be expected to enter into a contract with the Town. Following notification of selection, the successful bidder review and execute the Standard Town

Agreement. The Town shall not be bound, or in any way obligated, until both parties have executed the agreement. No party may incur any chargeable costs prior to the execution of the final Contract.

- **CONTRACT NEGOTIATION:** The Town reserves the right to negotiate all elements of the submittals, proposals, terms and conditions, and/or scope of work as part of the contract negotiation process prior to any formal authorization of the Contract by the Town.

Unless specifically negotiated and mutually agreed upon, all applicable specifications of this Request for Proposals shall be considered as terms of the contract and shall not be overwritten or eliminated by conflicting language in the actual contract document.

- **EQUAL OPPORTUNITY EMPLOYMENT:** The successful contractor or contractors must comply with the Town of Berlin equal opportunity requirements. The Town of Berlin is committed to a program of equal employment opportunity regardless of race, color, creed, sex, age, nationality or disability.

- **TITLE VI:** It is the Town of Berlin's policy to assure that no person shall, on the grounds of race, color, national origin or sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities.

- **INSURANCE REQUIREMENTS:** The Town shall be named as an Additional Insured on the successful bidder's contract. Insurance coverage needs to be in at least the following amounts:

- a. Commercial/General Liability: Each Occurrence - \$1,000,000; medical expenses - \$10,000
- b. Vehicle Liability: \$1,000,000
- c. Workers Compensation: \$1,000,000

The cost of such insurance shall be paid by the contractor.

It shall be the responsibility of the successful contractor to ensure that appropriate insurance is maintained by any subcontractors associated with the project.

- **HOLD HARMLESS:** The Town of Berlin and their consultants shall be held harmless against claims for injuries to persons or damages to property, errors, omissions or professional liability that may arise from or in connection with the performance of work hereunder by the selected contractor, his agents, representatives, employees or subcontractors.

- **NON-ENDORSEMENT:** As a result of the selection of a contractor to supply products and/or services to the Town, the Town does not agree to the contractor's reference to the Town in any literature, promotional material, brochures, sales presentation or the like without the express written consent of the Town.

- **COMPLIANCE WITH LAWS, REGULATIONS, AND POLICIES:** In addition to nondiscrimination and affirmative action compliance requirements previously listed, the contractor or contractors ultimately awarded a contract shall comply with federal, state and local laws, statutes and ordinances relative to the execution of the work and other applicable provisions. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection; waste reduction and recycling; the protection of natural resources; permits; fees; taxes; and similar subjects, including satisfaction of any outstanding payables to the Town of Berlin, whether related to the Contractor's business or personal account(s).
